Ms. Fuller's Message

Dear Durbin families,

Welcome to the 2018-19 school year! It is going to be an AMAZING year with wonderful families and community support. We have grown to approximately 800 students in grades Pre-K through fifth, and all of our classrooms are completely full. We are still in the process of hiring the last few teachers based on the last-minute registrations the week before school started, but are confident everyone will be in place very shortly.

I have been so impressed with our morning and afternoon carlines for the first days of school. I know it is new and still moving a little slowly, but I appreciate everyone following the procedures and using the crosswalks. It will only get better and faster each week, as students learn to listen for their names in the afternoon and have their belongings ready to exit the vehicles in the morning. Our safety patrols and staff will assist the little ones on getting out. Please do not exit the vehicle and NEVER let a student get out on the driver's side—they should always get out on the right side, closest to the sidewalk. This is for everyone's safety.

Please know my door is always open and we are always working on ways to be the BEST school in St. Johns County! Thanks for working with us to make it AWESOME!

Sincerely,
Angie Fuller
Principal

Our Mission:

Making positive contributions to society by expanding minds to explore our expanding world.

What is Peanut Allergy Aware?

Several of our students have a severe allergy to peanuts/tree nuts. This allergy can be life-threatening and, for these students, strict avoidance is the only way to prevent an allergic reaction. Accidental contact or ingestion can be fatal.

Are peanut/tree nut products allowed in school?

Yes. However, in order to reduce the risk of exposure for students who possess an allergy to peanut products, these items are not sold in the school lunch program, at extracurricular events, or provided in school-wide activities.

FSA SCORES
2017-2018

If your child was in grade 3-5 at DCE last school year, FSA test results in ELA, Math, and Science are available upon request in our front office until

September 15, 2018.

DCES MORNING DROP-OFF PROCEDURES

If you will be driving your child to school, please note that you will enter the campus at the east entrance and “snake” through the parking lot in order to allow as many vehicles to proceed as possible. Children will exit vehicles at designated area, where they will be greeted and assisted as needed by school personnel and our student patrols. They will enter the building at the double doors to the left of the front office.

Recognize that patience and understanding will be required as we establish our morning routines. Helpers will be strategically stationed to direct your child to the correct area. We begin accepting students at 8:00 a.m. or when staff is present on the sidewalk (do not drop children off earlier as there will be no one to supervise them unless you have contracted with the Extended Day Program).

School starts at 8:30 a.m. In the interest of fairness and to allow our patrol students to be in their classrooms on time at 8:30, patrol and staff will stop opening car doors at 8:25. The double doors at the left will be closed, and remaining drop-off students will be directed through the front office to proceed to their classrooms. Any students entering the front office after the 8:30 bell rings will sign in as being tardy. **At no time are children to be sent across the parking lot, or across the handicap parking spaces alongside other cars in line, even if (and especially if) arriving late.**

Please comply with the following to assure a SAFE and timely morning routine:

- **Children may exit vehicles on their own after the car has pulled up to the sidewalk which begins PAST the sign near the front door where sidewalk begins and continues the length of the building. At NO TIME should a child exit before passing the sign unless escorted by school personnel.** This includes students arriving after the 8:30 tardy bell.
- **Be considerate of those behind you.** Have your child ready to exit on the **PASSENGER SIDE ONLY.** Shoes on. Backpack zipped. No one (child or adult) is to walk between vehicles. Students and/or parents are not to step behind a vehicle to remove items from the trunk.
- **PLEASE DRIVE ALL THE WAY DOWN THE LENGTH OF THE FRONT SIDEWALK** to facilitate more students disembarking at the same time. Please be considerate of those behind you--this means the difference between 12 – 15 cars unloading at one time versus one at a time near the front door. *Please continue to do so after the first bell when student patrols head inside.*
- **If there is reason to park and walk your child, cross ONLY at the painted crosswalk and only when staff member indicates to do so. This is for your safety as well as your child's.** We will have you wait until the car line has “filled up” before permitting you to cross, as this allows more students to be on their way to class in a shorter amount of time.
- **If your child arrives after the 8:30 am tardy bell, he/she MUST be walked inside by an adult and signed in. YOUR SUPPORT, PATIENCE, AND UNDERSTANDING ARE GREATLY APPRECIATED!**

AFTERNOON PARENT PICK-UP PROCEDURES

Parent pick up students are dismissed at 2:50 PM. Drivers enter the campus through the east entrance and “snake” through the parking lot in order to allow as many vehicles to proceed as possible. Students will be organized by grade level along the front sidewalk.

As vehicles approach the front sidewalks, a staff member will radio the child’s name and grade level to staff members supervising the students, sending them in order to numbered poles. The goal is to have children waiting in the order they are called, ready to load when their vehicle pulls all the way forward.

Siblings or carpool members are to sit with the YOUNGEST child’s grade level.

In order to facilitate a *safe and timely dismissal*, please note the following:

PULL FORWARD AS FAR AS POSSIBLE (we will direct your child to you) to allow as many cars to load as possible at one time. This might require passing your child for a moment.

STUDENTS LOAD FROM PASSENGER SIDE ONLY. Driver remains in vehicle so that no person walks between vehicles. Staff will assist students as needed.

BE AWARE! Watch for students near the edge of sidewalk before driving forward. Children might be coming from BEHIND you as well. Side mirrors are at head-level of young students!

Please refrain from talking or texting on your cell phone during the parent pick up process.

DO NOT PARK AND ATTEMPT TO INTERCEPT YOUR CHILD AS STUDENTS EXIT THE BUILDING. In addition to safety concerns regarding walking between vehicles, the line of vehicles makes it very difficult to back out of parking spaces, and will not save time.

THERE IS NO NEED TO ARRIVE BEFORE 2:50. Our experience is that all car riders are picked up in less than 30 minutes, *once our routine has been established.*

Thank you for your help!

Pre-pay for School Meals at www.PayPAMS.com

PAYPAMS

Parent Account Management System

Money goes directly into child's account.
No more lost money!

Current Users:

Tips for the beginning of the school year:

1. Login to the site at least one week before the beginning of the school year. Check that your credit/debit card on file has not expired, your email address is updated, and that your automatic payment plan's stop date has not expired.
2. **Forgot Password:**
If you previously registered with PayPAMS but forgot your password, click on the [Forgot Password](#) link on the home page of PayPAMS.com. If you were unable to retrieve the password through the Forgot Password link, contact customer support from the 'Contact Us' page. Do not register again. Note: passwords are case sensitive.
3. **Balance Transfer from Year to Year:** Any remaining student meal account balance will automatically transfer to the next school year.
Important note: If your child moved from one school to another within the same school district, it may take a day or two from the beginning of the school year to transfer the remaining balance from the old school to the new school. During that time period, the balance on PayPAMS may show as \$0.00. If you are not sure if your child's account had remaining balance from the previous school year, we recommend you make a payment.
4. **Refunds:** PayPAMS processes refunds only for the exact payment amount. If the student has already used some of the money, or has graduated, please contact the school district.
5. **Moved to a different school district:** If you moved to a different school district you can keep the same username and password information. Login to your account, go to Help/Contact Us and select subject 'Moved from District'. Do not register again. Note: PAMS cannot transfer money from one school district to another. Contact your previous school district for refunds.

New Users:

Register Now:

1. Go to PayPAMS.com and click on the 'Register Now!' button on the home page.
2. Select your state, then select your school district.
3. Create a username and password and enter your contact information.
4. Add children to your account.
5. Make payments or set up automatic payments based on low balance.

Helpful Tips when Registering:

1. **Username:** Create a unique username. If the system indicates that the username is taken, select a different username.
2. **Duplicate Accounts:** If the system indicates that an account already exists with the same phone number or email address, contact customer support from the 'Contact Us' page.
3. **Meal Account Balance and Cafeteria Purchases:** It takes 1-2 school days before balances and cafeteria purchases information for new registrants can be displayed. However, you can make payments immediately upon registration. If you cannot view balances two days after you added the student to the account, contact customer support from the 'Contact Us' page.
