Ms. Fuller's Message

Dear Durbin Families,

Happy Fall! I hope everyone is enjoying this beautiful weather the past couple of days. It sure makes drop off and dismissal so much nicer! Speaking of carline, I wanted to just briefly give a few reminders for safety. Please remember:

- All students should exit and enter on the right/passenger side of the vehicle.
- Parents must remain in the car. If you must get out, please park and use the cross-walk with your child.
- Please, *please* do not use your cell phone (either call or text) while in the carline.

Thank you so much for your help with this matter. It really is all about keeping our students and staff safe at all times.

Next week we will have a Family fun "Mad Science" night on Tuesday, October 10th. Also, next Monday our School Board member, Mrs. Beverly Slough, and the United Way representative, Ms. Nelson, will be here at Durbin Creek on our morning news show to get the check from our "hat day." It was a huge success, thanks to all of the wonderful families and students who participated. We raised over \$2,700 in just the one day event! This would have never happened without the idea and hard work from one of our 5th grade students, Addison Richard! Way to go Addison!

I am truly honored to be working in such a great community! Hope to see you next week at both our Mad Science night Tuesday and our October PTO meeting on Wednesday the 11th at 9:30am.

Sincerely,

Angie Fuller

The Florida Department of Children and Families has coordinated this site to serve Floridians who live in Flagler and St. Johns Counties affected by Hurricane Irma to ensure they have the resources needed for healthy meals.

Important information needed to apply & determine eligibility for D-SNAP benefits:

- Applicants must have lived or worked in one of the 48 declared counties on September 5
- Suffered a disaster-related loss due to Hurricane Irma such as:
 - Reduction or loss of income
 - Loss of food
 - Damage to homes or self-employment equipment
