Ms. Fuller's Message

Dear Durbin Families,

I hope you are all enjoying the beautiful weather we are having lately. It really makes a positive difference in car line when we have more bikers and walkers. I have been very pleased with the number of tardies recently, they have dropped significantly. I truly appreciate your efforts to get here before 8:15am.

I also want to thank everyone for their donations to our Good Will Bag It Up drive last Friday. It was a huge success. We had 87% participation and have earned \$1000 and a new computer. They will be here on May 22nd to draw the prizes for students who participated. Durbin is an amazing, giving community!

We can't wait to see everyone at our STEAM night tomorrow from 6:30 to 8:30! There are so many great activities planned for family participation and fun. We will have extra parking on the field if needed, so please join us! We also have our musical coming up next Thursday evening here at Durbin, and our students have worked so hard on their performance. We hope you will come support our performers.

See you soon!

Angie Fuller

Summer Reading and Math Volunteer Opportunities

If you are willing to spend a little time this summer helping others, there is an opportunity waiting for you! RSVP of St. Johns County is looking for community members to assist once a week in the summer reading or algebra programs in the St. Johns County School District. Hours are flexible, and even if you are traveling this summer you can help out while you are in town.

Orientation for reading volunteers will be Thursday, June 7 from 10 a.m. – 12:30 p.m. Orientation for algebra volunteers will be Friday, June 15 from 9 – 10 a.m. Both meetings will take place at the Fullerwood Auditorium, 10 Hildreth Drive, St. Augustine, FL 32084. "There are students who can greatly benefit from the help of those willing to give just a small amount of their time," says Cheryl Freeman, RSVP director. "Assistance from community volunteers can make all the difference in helping these students succeed."
