

Durbin Creek Elementary's VPK selection is done by a lottery system. 2025-2026 school year **VPK Lottery applications will be accepted January 15–January 31, 2025**. The first week of February, 12 applicants will be selected and notified. Upon acceptance, those selected students will begin the registration process.

Only students selected will be contacted. If you have not been contacted by February 14th, then your child was NOT selected for one of the 12 spots, and will be put on the waiting list. Due to the number of lottery applications, it is advised that you have a back-up plan. Other VPK providers can be found at [Search \(myflfamilies.com\)](https://www.myflfamilies.com)

Please review the following pages for more program details. **To apply for the lottery**, print the last page, fill it out and return it to the school. Lottery applications can be dropped off at the front desk or emailed to Michele.Mcdermott@stjohns.k12.fl.us. You will receive an email confirming receipt of your application. Only those chosen for the program will receive a second email with directions on how to register.
